

A vibrant, cartoon-style illustration of a prehistoric landscape. In the center, a large, light grey rock formation is partially obscured by the text. To the left, a tall, stylized green plant with large, rounded leaves stands next to a light blue dinosaur with dark spots and a brown spine. In the foreground, a small green cactus is next to a small green dinosaur with a blue frill and white horns. To the right, a grey dinosaur with a blue spine and a large blue dinosaur with a blue spine and a smiling face are visible. In the upper right, a grey pterosaur with a white belly and a long tail is flying. The background is white with faint horizontal lines.
